READ CAREFULLY

By special arrangement the Times-Dispatch will distribute among its readers a limited number of complete sets of this remarkable library.

When it is borne in mind that this great set of works was first published in 1901, and that the many of our best families, who purchased it direct from the publishers at prices ranging from four to sixteen dollars per volume, value it among their most highly prized collections, and that now the Times-Dispatch is able to deliver them at nearly one-half the mere cost of the cheapest binding, some idea will be gained of the truly astonishing terms of the arrangement that has been made.

A set of the books may be seen at the Times-Dispatch office, 916 E. Main Street. Full particulars will be immediately supplied upon receipt of the coupon printed below, or in response to a telephone call. Use Phone No. 38. Address
